CERTIFICATE

I hereby certify that the work which is being presented in the M.Tech. Dissertation

entitled "", Thesis Title Here! in partial fulfillment of the requirements for the

award of the Master of Technology in Computer Engineering (Computer

Engineering) is an authentic record of my own work carried out during a period

from Start Month, Year to End Month, Year under the supervision of Supervisor

Name, Designation, Computer Engineering Department.

The matter presented in this thesis has not been submitted for the award of any

other degree elsewhere.

ACKNOWLEDGEMENT

First of all, I express my gratitude to the Almighty, who blessed me with the zeal and enthusiasm to complete this research work successfully. I am extremely thankful to my supervisors Supervisor Name Here, Supervisor Designation, Computer Engineering Department, National Institute of Technology Kurukshetra, Haryana for their motivation and tireless efforts to help me to get deep knowledge of the research area and supporting me throughout the life cycle of my M. Tech. dissertation work. Especially, the extensive comments, healthy discussions, and fruitful interactions with the supervisors had a direct impact on the final form and quality of M. Tech. dissertation work.

I am also thankful to Name of The HOD, Head of the Computer Engineering Department, for his fruitful guidance through the early years of chaos and confusions. I wish to thank the faculty members and supporting staff of Computer Engineering Department for their full support and heartiest co-operation.

This thesis would not have been possible without the hearty support of my friends. My deepest regards to my Parents for their blessings, affection and continuous support. Also, Last but not the least, I thank to the GOD, the almighty for giving me the inner willingness, strength and wisdom to carry out this research work successfully.
